ANOTHER WORKSHOP PLUS:

Over 250 books have been donated to the workshop which will be given to the Dallas Public Library. These books will be reviewed in our Quarterly and there is a need for reviewers for this project. The form for review is simple and brief, but informative. Please contact our president, Margaret Ann Thetford (522-3806) if you can possibly help out with this project before the workshop time and even thereafter. It will only take a short time for reviewing one or more of these excellent books for the benefit of the Society and your fellow researchers.
