## Quiz - Tell Us What You'd Like to Write About Next Year

Last month, we asked readers to share information about their English roots with us. Thirty-eight percent of our respondents told us that their most recent English ancestor arrived in what is now the US in the 17th century, and another thirty-three percent said theirs arrived in the 18th century!

This month, we want your input on the topic for next year's writing contest.

## Wrapping up the 2022 Writing Contest

The DGS writing contest for 2022 wraps up this month, and we had a few extra entries arrive before our newsletter publication deadline. This month, you can read about [bigamists](#), [detectives](#), and [slave auctioneers](#).

## Out of the Attic - Family History Finds

Veteran members of DGS will remember a time when transcriptions of family records – bible pages, newspaper articles, obituaries, funeral programs, commencement programs, and so on – were regularly found in the pages of our publications.

We have revived this practice, but we need your help! Rummage around in your genealogical “attic” for unique or unusual family records/items. Then e-mail us a transcription/explanation and a photo. Include an introductory paragraph to explain what the record/item is and where you found it. We’ll do the rest! Send your photos to [newsletter@dallasgenealogy.org](mailto:newsletter@dallasgenealogy.org).

DGS' own Tony Hanson will be speaking on "Why Finding Atlantic Shipping Records is Challenging."

The meeting will be a hybrid format - both in-person and on Zoom. The parking lot at the library is not large, so plan a little extra time, and perhaps consider carpooling with a friend. [Read more.](#)
