See You in September!

The Dallas Genealogical Society will be participating in the North Texas Giving Day campaign in September.

Our goal is to raise \$6,500 to continue providing patrons of the Genealogy & History Division of the Dallas Public Library with access to two genealogy related online information services:

[NewspaperArchive.com](https://www.newspaperarchive.com) – A subscription-based site that provides its users access to online digital images of their many exclusive collections.

[HistoryGEO.com](https://www.historygeo.com) – A family history software service for linking old maps and land records to your genealogy research.

These subscriptions provide access to in-person library visitors as well as online access to any patron who possesses a current Dallas Public Library card.
