

Out of the Attic: The 1940 Graduating Class of Texas Tech

Out of the Attic

Veteran members of the Society will remember a time when transcriptions of family records – bible pages, newspaper articles, obituaries, funeral programs, commencement programs, and so on – were regularly found in the pages of our publications. We'd like to revive this practice and start featuring family records in our monthly eNews. We need your help to accomplish this.

Rummage around in your genealogical "attic" for unique family records. Then email us a transcription. Include an introductory paragraph to explain what the record is and where you found it. We'll do the rest.

Send your records to newsletter@dallasgenealogy.org.
