2022 Spring Seminar with Diahana Southard

Diahana Southard will present ***Using DNA Strategically: Tools to Identify Ancestors*** for the Dallas Genealogical Society (DGS) Spring Seminar. The virtual event will be held April 23, 2022. Diahana is one of the pioneers of genetic genealogy and the founder of *Your DNA Guide*. She is a frequent lecturer and author of *Your DNA Guide-The Book*.

Registrants will have access to the videos of lectures for two weeks post event. There is an Early Bird rate in effect through April 3. For more info and registration, go to <http://dallasgenealogy.com/dgs>.
