

Out of the Attic: The 1942 Graduating Class of Baylor University

Out of the Attic

Veteran members of the Society will remember a time when transcriptions of family records – bible pages, newspaper articles, obituaries, funeral programs, commencement programs, and so on – were regularly found in the pages of our publications. We'd like to revive this practice and start featuring family records in our monthly eNews. We need your help to accomplish this.

Rummage around in your genealogical "attic" for unique family records. Then email us a transcription. Include an introductory paragraph to explain what the record is and where you found it. We'll do the rest.

Send your records to newsletter@dallasgenealogy.org.

“That Good Old Baylor Line”

That good old Baylor Line!
That good old Baylor Line!
We'll march forever down the years
as long as the stars shall shine.
We'll fling our green and gold afar
to light the ways of time,
and guide us as we onward go—
That good old Baylor Line!
